MASTER IN ARTIFICIAL INTELLIGENCE & BIG DATA

Duration: 12 Months

About Us

IHMGS, official education entity of the **Ministry of Education**, in direct collaboration with the **University of Valencia** (Spain), offers specific programs for those students who want to learn about Hospitality, Languages, and Computer Sciences.

Founded in 1499, The University of Valencia "UV" is one of the oldest universities in Spain. It ranks among the **four** most prominent universities in Spain.

Why Choose Us?

Our school focuses on **international students**, with academic programs specifically designed to cater to your needs, and friendly and involved staff and teachers who will offer you personalized treatment.

Most of our programs are taught in English, but we do not require IELTS (*even though English fluency is required*). We also include Spanish Language classes in all our programs to help our students with the integration process in Spain.

We assist you throughout the visa process and we also offer the possibility of extending your stay for **2 years**.
